

Ebru Evrim Studio Client Safety Procedures

In response to Covid-19

All clients must :

- Bring a bag (to put your handbag, shoes and coat in) and your own mat/equipment, this should be sanitised at home.
- Make a queue on the pavement outside the Studio, with at least a 1m gap and wait for Studio staff to open the door. Clients should check-in using the Ebru Evrim app where possible (a guide to this has been attached) rather than swiping membership cards.
- Enter the Studio one at a time, sanitise hands, remove shoes and coats. Place these in your bag and promptly make your way to the Studio.
- Fill the Studio up from the back, placing mats on the clearly marked spaces. Socks can be removed once on the mat. Bags should be placed next to mats or to the side of the room.
- When leaving the Studio please wait for the teacher to send you one at a time, starting from the front.
- Sanitise your hands in the way out.
- If you have any questions or queries please do these via email or telephone rather than speaking to staff in the reception area.
